Take a Seal Rocks Cruise, Phillip Island

As diverse as it is beautiful, set your sights on Gippsland. As the landscape moves from beach to lakes to mountain ranges, let the region move you with its country charm. Hire a boat and set out on a fishing adventure, grab some fresh seafood at Lakes Entrance or visit a winery for tastings, lunch or dinner. There's so much to see and do you may never want to leave.

It's easy to see why Lakes Entrance has a hold on people. Soak up some fresh sea air as you take a cruise on the lakes. Play a round of golf or set off on foot across the footbridge to Ninety Mile Beach.

Victoria's mining past can be seen throughout the state. Mining town Walhalla is a window into the past. Picturesque Sale is your gateway to the Gippsland Lakes, a coastal playground, while Metung is a picture-book village. Set down on a green lawn and watch the sailing boats glide by.

Expect more out of Phillip Island than your average seaside getaway. Want stunning beaches, adventure sports and major events? You've got it all, and more.

Every now and then your holiday destination offers up an experience worthy of the trip on its own. For Phillip Island it's the Little penguins. Catch them on their nightly parade from the sea to their burrows on shore. Cuddle a koala at the Koala Conservation Centre or see fur seals at Seal Rocks. Work up an appetite on the nature trail then grab a café meal on the beach as you plan your next adventure.

The island may be known for its wildlife, but don't be afraid to stir up a little action. Head to the beach for a swim, surf or kayak in the water, or time your visit with the highlight of Phillip Island's event calendar. The V8 Supercar Championship roars through town in September.
